Jack Kerouac School  
of Disembodied Poetics  
Dear Tim - July Aug 8, 76  
Maropast 1441 Bway

My own favorite dissenter Shoshi Kharberg  
in Moscow (editor Sputnik mag.) is still in  
trouble - the sa whole bunch of literary cats  
there. Yes Cleaver/P.E.N. sounds fine,  
the apparatus you think it was negative use  
in yr case as rewarded to Silverplate? If ever time,  
Lemmy knows how to's not to repeat the misjudgment.  
Lots other lefties doing political fact time) Yeah -  
I get all sorts of appeals from mailing list orgs.

Re Cleaver if a literary type appeal doubly-  
checked for modesty + accuracy were sent  
me by his friends (if he's got it organized)  
I'd run it ~~then~~ thru pen.

Re literary agent, enclosed information.

Albey Hoffman, for all the brouhaha, was  
set up by Nats for a double deal, because of  
his political activities, some humorous, so I'd  
put him on an amnesty list too - as well as  
all those driven to minor irrational violence  
by Police-Bureaucracy provocation over the last  
19 years - I'd suppose early D.L.A. folk +  
weatherfolk - and all the draft dodgers that  
went + some still are in jail etc - Hiddy + Heart

2  
Yes I suppose I hadn't thought of that but it's  
logical + lifts the Claustrophobic roof —  
except God knows what really serious crimes like  
Kennedy assassination that Hunt I'll bet knows  
about, all the Cuban-Mafia - C.I.A. conspiracies  
which he was at center of — and biddy still  
hasn't talked much & how many people did he get sent  
to jail. One problem is that the Government still  
hasn't released the records of who did what to who —  
there's a general Confession but specific whitewash  
of C.I.A. - Mafia - FBI - Sea Corps/Criminal/Political  
activity. Hunt oddly was at center of a lot of it. But  
I'm generalizing from barway distance at this point,  
ignorant of specifics. As there's half million  
funnies still in tangle to Mafia-Police Conspiracy etc.

Saw David Padwa here, he spoke more  
freely of you than you do of him — take it  
easy. Perhaps I paper over slightest  
differences in a Jewish mother way — on  
the other hand no need to cling to troubles. I'm  
glad you met Dudjoo, who besides being a  
Pope of Buddhism is interesting man — Pennington  
spent several hours w/ him in N.Y.

Poetry Reading here last nite Bill Burroughs, Trumpa,  
myself + Ann Waldman —

Your ideas are always interesting, sometimes true,  
irritating in presentation, sometimes accurate + swift  
as yr. proposition that Paddy Hearst ~~is~~ has been  
victimized by all sides; if I understand you correctly.

But Paddy and illiterate, & calling him a  
'Crim Freak' is glib I think. I wouldn't comment  
on yr manner then usually, but to avoid  
misunderstanding by silent head-nod, I should  
register some demeror, lest buture & anna  
put us in same boat arguing over attitude &  
language.

Trumpa oddly attacks me for "Gurbery  
resentment" + political prejudice in way that you  
do — attached to old left sentiments. Burroughs  
been mocking me on that for years too.

Thanks for sending note to Kuster

I'll be here in Boulder w/ Philip Allalen,  
Drew Di Prima, Burroughs, + various other  
poets til 23 Aug N.Y. early Sept. + a trip

to Berlin W/ Bill B. enoughs Sept 15-30 —  
 Then I'll retire for Buddhist seminary  
 sitting + prostrations (100,000) (90,000  
 to go) Oct - Dec. Then I don't know what,  
 except 2 weeks in Spring + ~~all~~ all  
 next summer here.

I've ~~revised~~ revised (Chen Tra Lowe) what  
 I can get of reduction of data set ~~files~~ files  
 Surprisingly little material related to you  
 has been included.

They wasted a lot of money following  
 me around poetry readings in Iowa + Oregon.

I've been ill, so say doctors,  
 various liver biliary polycystic, Crail +  
 hi blood pressure — too much paperwork  
 too many letters students projects telephone  
 calls — so I'm so now I'll retire a  
 bit I hope from external business + do  
 more sitting + mind-practice.

hope to yr. friends + to Joanna I hope she's  
 feeling light + easy now — over

I know this letter is much shorter but I don't answer you fast — all these  
 get a chance to answer later.

P.S.

Yes Rep Brown is an obvious persecutee.  
 I'll try to get on it at P.E.U., for all the small  
 good it does. I'd need For both Brown & Cleaver  
 some legal/literary Summary. If you're in touch  
 with anyone concerned, & they send me a  
 précis-Resume that P.E.U. can act on without  
 my effort further doing ~~the~~ legal research + correspondence  
 I'll Proposition P.E.U. (+ Amnesty Int'l.  
 + anywhere else I go). (50 poetry student here on my  
 desk)

My time is so limited, & so much  
 paper on my desk, & my organization so  
 sloppy, I can't handle mail anymore.

Just to instill Rep Brown's lawyer or  
 wasn't he once?

Dear Tim: I'm glad to see the direction into prisons  
 w/ taking the Hunt & Lidley, my guess, would do it all over  
 again if they don't just plainly talk about what  
 they did like Dean did talk. I'll bet David Padwa  
 loves you more than you think. He came to visit Allen  
 last year at 12 ST N.Y.C. apt & his face seemed to me  
 (over)
